

## HANDGUN BRAVADO THESE DAYS MOVE FAST (FFLY020CD)

Handgun Bravado. Explosive punk rock with a melodic edge only scratches the surface of what this group is all about. Hailing from Portland, Oregon the band consists of 3 road grizzled veterans of the music scene. Arne Cherkoss (ex-Zoinks) on lead guitar and vocals, Christian Harvey (ex-Underhand) on bass guitar and Colin Sears (ex-Marshes, Dag Nasty) on drums. Prepare for a sonic onslaught that begins when you press 'play' and only relents when the last feedback drenched note stops making your eardrums bleed.

### What critics are saying:

“There isn’t much to say about Handgun Bravado album beyond: flawless post modern punk.” - *Music Liberation Project*

“I saw this band play a tremendous set supporting Leatherface recently and this album confirms what I saw that night.”  
- *Mass Movement*

“Vocals reminiscent of Danny Elfman’s days with Oingo Boingo and the music has a Bad Religion feel to it.”  
- *Razorcake*

“But it’s not just the words that will keep you stuck to this CD like a kid to a popsicle; it’s the tight music interplay of Handgun Bravado. So if you like power trios that go for the gut, like Husker Du and Moving Targets, you need *These Days Move Fast*.”- *Earcandy Magazine*

“Clean, tight, fast-paced punk rawk the way these folks from their previous bands intended it.”-*Punk Planet*

“The debut album from this Portland based trio-it’s full of fast paced punk rock, based around catchy guitar riffs and powerful, insistent rhythms.”  
-*Fear n Loathing*
